> JUSTICE SCORES VILLAGERS Port Washington Marital Case Calls Forth Criticism.

Mineola, Long Island, Feb. 22 (Special) .justice Townsend Scudder, of the Supreme Court, spent the holiday here to-day, hearing a separation suit and a counter action for divorce, which ended long after dark. The annual report of Fire Commissioner The village of Port Washington, from Waldo, including the reports of the bu- which the litigants come, was well reprereau chiefs, a vast amount of statistics sented in court, many of the crowd being and a number of interesting pictures, has especially interested in the co-respondent. Justice Scudder made some very cutting Commissioner Waldo reports that al- remarks about Port Washington, advising though the number of fires in 1919 was the people to spend some of the money larger than in 1909 the average loss was they send away for foreign missions in a slightly lower. In 1910 there were 14,405 little home missionary work. Then he disfires, with a total loss of \$8,531,831 and an missed the divorce sult and took the sepa-

Mrs. Laura H. Bingle, wife of Herman At the end of last year there were 4.432 Bingle, who has kept a confectionery shop The adjoining property. No. 18, will also be uniformed men in the department, distrib-uted among 257 companies. The following her husband for separation on the ground recommendations are made by the Commis- of cruel and inhuman conduct. She said her husband had ordered her to go to the The high pressure system should be established as rapidly as possible throughout tablished as rapidly as possible throughout the Borough of Manhatian south of 155th street, and throughout the densely populated and manufacturing sections of Brooklated and manufacturing sections of Brooklated and manufacturing sections of this system has been demonstrated beyond question.

The extension of high pressure, together with the introduction of motor apparatus. The husband, in his action, named Albert its believed, will bring the equipment of the fire lighting force to the highest efficiency. I believe that the question of fire prevention should receive the most serious consideration, and that a bureau of fire prevention of the Fire Department should be established. This bureau should be apart from the uniformed force and under an official reporting directly to the Commissioner. The bureau of fire prevention should be subdivided into:

The prevention should be an office prevention should be and offer prevention should be and offer prevention should be an office prevention should be an office prevention of the prevention of witnesses, but his wife had twice as many whose evidence was fully as strong. Swoboda said he had known Mrs. Bingle for many years, that he had a number of witnesses, but his wife had twice as many whose evidence was fully as strong. Swoboda said he had known Mrs. Bingle for many years, that he had a number of witnesses, but his wife had twice as many whose evidence was fully as strong.

The bureau of fire prevention should be subdivided into:

1. A division of auxiliary fire appliances, which should have charge of the installation of such auxiliary fire appliances and fire escapes as may be required in various buildings, including automatic sprinklers, standpipes, tanks, pumps, extinguishers, etc. This division should be in charge of a competent engineer.

2. A division of combustibles, to perform the work now being done by the Bureau of Combustibles, this bureau to regulate the manufacture, sale, use, storage and transportation of combustibles.

3. A division of inspection. This division to carry on a systematic inspection of premises to determine whether or not all regulations which may be enacted for the prevention of fire are being observed.

4. A burgu of violations, under an official with legal training, for the purpose of enforcing regulations in the case of violations.

5. A division of the Fire Marshal, this citizens or begun on the commission's legal of the purpose of enforcing regulations in the case of violations. The Public Service Commission made pub- street. 5. A division of the Fire Marshal, this division to investigate fires for the purpose of determining whether or not any criminality is attached and bringing offenders.

and Tenement Houses.

Trading reported in the realty market yesterday was confined to dwelling and

tenement house properties. The project of Haviland & Co. to erect a business building in 36th street, just west of the Murray Hill line, it now appears, will be started earlier than anticipated, for the plans of Pilcher & Tachau for a twelve story building covering the properties No 9 to 15 East 36th street and No. 19 East 37th street were accepted yesterday. It is estimated that \$300,000 will be the cost of the structure, of which the owners will use five or perhaps six floors for show and sales rooms

Among other pending building operations in lofts in the side blocks contiguous to Fifth avenue which will probably be under way this spring are a twelve story loft structure to be built by the Midville Realty Company, at Nos, 4 and 6 West 37th street and a similar structure at No. 20 to 26 West 26th street by Daniel W. Richman. improved by the Underwriters' Realty Company with a similar building from plans now being prepared by James Rliey Gordon.

SUBURBAN SALES.

The Carlos Hotel, at Grant City, Stater Island, formerly known as the Oriental, has been sold by Tipaldi Brothers. The buyer proposes making extensive alteration to the property, which probably is one of the oldest hotels on Staten Island. It is three stories high and occupies the block fronting on the South Field Boulevard, between Franklin and Washington avenues. The deal was negotiated by Joseph

State Controller William Sohmer sold the northeast corner, 40x100 feet, of Washington avenue and Fifth avenue, Rockaway Park, Long Island, for about \$14.000, to John Schottler and John C. Denner, who propose to erect a business building. The Frederick W. Avery Company and H. Richter & Co. negotiated the sale.

RECENT REALTY BUYERS.

Bernard Smyth & Sons were the brokers in the sale for the estate of Julius Tiemann to Isaac Friedenheit, of No. 125 West 43d

Humpner & Co. were the brokers in the sale of No. 467 East 146th street for N. H. Broughton and others.

HOME FOR SURGEONS CONTRACT. The United States government has let the contract for a building to serve as quarters for the assistant surgeons of the Marine Hospital, Staten Island. The Geological Survey's recent investigation into fireproof materials is partly responsible for the type of construction. Terra cotta blocks are to be used in the outside walls

and partitions which divide the house into

ections. The exterior is a gray stucco,
